

MUNICIPALITY OF STRATHROY-CARADOC CARADOC STREET RECONSTRUCTION

NOTICE OF PUBLIC OPEN HOUSE

THE PROJECT:

The Municipality of Strathroy-Caradoc is proposing to undertake road, sewer and water improvements along Caradoc Street in Strathroy in 2020. The scope of work is as follows:

- Caradoc Street from approximately 80m south of English Street/Maitland Terrace to Garden Lane – improved roadworks, storm sewer, sanitary sewer and watermain
- Centre Street from Caradoc Street to approximately 30m west of Caradoc Street – paving and storm sewer improvements
- Traffic signal improvements at Metcalfe Street and at Front Street
- New beautification features in select boulevard areas between Metcalfe Street and Front Street

Along with other work incidental thereto. The key plan below illustrates the project limits.

PUBLIC OPEN HOUSE:

A Public Open House is planned to display the design drawings, and to answer questions from interested persons:

DATE: Thursday, March 12, 2020
TIME: 5:00 – 7:00 p.m.
PLACE: Committee Room in the
Municipal Office
52 Frank Street, Strathroy, ON

This work has been awarded to Omega Contractors Inc; and construction is scheduled to begin April this year.
