

RESIDENTS: ANTICIPATED ROAD CLOSURE

**RE: Canaan Street to Clarence Street
Strathroy road closure.**

DATES: Monday, August 31, 2020

Omega Contractors would like to give as much advanced notice for the above road closure for the Caradoc Street Project. Road will be closed from Canaan Street to Clarence Street.

This closure will allow for the installation of all new underground piping, road base install, curb and gutter, asphalt and all surface works behind the roadway.

Direct access to businesses and property owners will be impacted but Omega Contractors will work very closely with all affected parties to come up with viable options and solutions.

Anticipated closure duration will be until October 23rd but this could be modified as work progresses.

WE ARE SORRY FOR THE INCONVENIENCE

**YOUR CO-OPERATION IN THIS MATTER IS GREATLY
APPRECIATED.**

THANK YOU
