Candidates may view this information at any time after the start of the voting period using the Candidates Module.

Voting

Voting will commence on October 17, 2022 at 9:00 am through to October 24, 2022 at 8:00 pm.

During the Voting Period, the Help Centre will be open as follows:

- October 17-21, 2022 – 9:00 a.m. to 6:00 p.m.
- October 22, 2022 – 9:00 a.m. to 1:00 p.m.
- October 24, 2022 – 9:00 a.m. to 8:00 p.m.

At 8:00 p.m. the doors of the Help Centre shall be locked and those in the Help Centre will be permitted to cast their ballot. Touch-tone telephones and internet access will be provided. Any telephone provided at the Help Centre shall delete any display options on the telephone.

Prior to the activation of the system by Intelivote, on October 17, 2022 (9:00 a.m.), Intelivote shall allow access by the Auditor to the voting system at the Strathroy-Caradoc Municipal Office before 9:00 a.m. by secure ID and password, for the purposes of ensuring that all candidates' names are listed and that no votes have been cast. The system will not be activated until confirmation that all the counts associated with each of the candidate(s) names indicate a "0" total.

Candidates or their scrutineer may be present to verify and ensure that all totals of votes cast are at "0" and shall be required to sign the "Activation of Intelivote System" that attests to this fact.

Eligible electors may telephone a designated 1-800 number to cast their vote by using a cellular or land line, touch-tone telephone but **not a rotary dial telephone**. "Diga-pulse" telephones will be able to access the system providing the over-ride button on the telephone is set to a "touch-tone" mode. Should the elector be unable to access the system, the interactive response system will provide an error message requesting that the eligible elector obtain assistance from an Election Official.

Alternatively, eligible electors will be able to access a designated internet address and cast their vote(s).

A voter must complete the races and questions in the order that they are presented by the system. The voter cannot skip a race or question.

If a voter chooses, they may use one method to vote some of the races or questions and use the other method to vote the remaining races or questions. However, once a voter has voted on a particular race or question, that race is closed and will not be available for voting again, regardless of the method.

Once a voter has made a selection for a race or question, the voting system shall indicate the voter's choice and shall allow the voter to either confirm their selection and cast their vote or return to the race or question to change their selection. If the selection of a particular race or question is not confirmed and the vote is not cast, the voter is able to reenter the system and make their selection casting their vote for that particular race or question, or any other race or question that has not been previously voted.

Once the Voter PIN has been used to complete **all** races and/or any questions, associated with the election, it cannot be used again and further access shall not be granted to the telephone/internet voting service using that PIN.

Intelivote shall record the PIN and corresponding name of all electors who have voted. This **does not** provide information on who an elector has voted for.

The names of electors who have voted during the voting period will be provided to the Clerk electronically through the Intelivote system using the Clerk's assigned password. This report titled "Voter Participation Status" report will be created in an electronic file format suitable for electronic distribution and will only be done under the control and direction of the Clerk.

If requested in writing by a candidate(s) on the "Declaration of Proper Use of the Voters' List", the Clerk will provide a copy of the daily "Voter Participation Status" report. This information shall be made available to candidates through the Clerk's Office.

Electors Requiring Assistance (Section 52 (1) 4)

The Election Official may permit an elector who needs assistance in voting to have such assistance as the Election Official considers necessary.

Oral Oath to Vote With Assistance

A voter who requires such assistance to vote may ask the Election Official for assistance. The Election Official shall require the voter making the request to take the Oral Oath to Vote With Assistance on the "Oral Oaths At Help Centre" and then assist and/or vote as directed by the voter. Any other person present must remove themselves until the voter finishes instructing the Election Official.

Oral Oath of Friend/Support Person of Elector

In lieu of the Election Official assisting a voter, the voter may request that a friend accompany them to vote. Any friend or support person who is permitted to vote shall be required to take the Oral Oath of Friend/Support Person of Elector on the "Oral Oaths At Help Centre". A person shall only be allowed to act as a friend for one voter at a Help Centre.

Oral Oath of Interpreter

Where the Election Official does not understand the language of a voter, an interpreter, provided by the voter, shall take the Oral Oath of Interpreter on the "Oral Oath At Help Centre", and shall translate the oaths as well as any lawful questions put to the voter.

Duplicate Voter Information Letters

Duplication of names on the Preliminary List of Electors shall be investigated by the Clerk and/or Election Official(s) and all obvious duplicate names of individuals shall be deleted prior to the final preparation of the Voters' List as certified by the Clerk. However, should an eligible voter receive more than one Voter Information Letter, the eligible voter may only vote **once** and must return the other Voter Information Letter(s) to the municipal Help Centre and complete an "Application to Amend Voters' List" to remove the duplicate name(s). All electors who vote more than once or who improperly use the Voter Information Letter shall be reported to the Police for further investigation as to possible corrupt practices under the *Municipal Elections Act, 1996*.

Voter Information Letters returned to the Help Centre shall have the PIN immediately disabled in the system so that the PIN cannot be used in the voting process. The opened Voter Information Letters will then be retained in a secure fashion and destroyed in the same manner as all other municipal election material as provided for under Section 88 of the *Municipal Elections Act, 1996*.

The Clerk and the Election Official(s) shall ensure a complete audit trail is maintained of all Voter Information Letters:

Problems Accessing the System

Where an eligible voter has tried his/her PIN and has been unsuccessful in accessing the voting system, the Election Official will determine its status, and once verified:

- and they have determined that it has already been used, the voter can present themselves at the Help Centre with proof of identity and residence as prescribed in O. Reg. 304/13 and have an Election Official confirm that the elector's PIN has been used. If this is the case, follow the procedure outlined in the section titled, Revision/Help Centre, b) (ii).

Incorrect Information on Voter Information Letter

Where an eligible voter has received an incorrect voter PIN in terms of ward, if applicable,

and/or school support, the voter can contact the Help Centre and have the proper category applied to the existing PIN.

If the voter has used the PIN to vote, and the voter determines that the ward, if applicable, and/or school support is incorrect, and they have not voted those races, the voter can contact the Help Centre and have the proper category applied to the existing PIN. The voter can then re-access the system and vote all races not yet completed.

The elector will be required to provide appropriate confirmation of eligibility and to complete "Application to Amend Voters' List".

New PIN(s)

New PIN(s) shall not be given out over the telephone or by mail. The voter must attend the Help Centre with proof of identify and residence as prescribed in *O. Reg. 304/13* and complete the appropriate form.
