

APPLICATION FOR ZONING BY-LAW AMENDMENT

APPLICATION NO.: ZBA13-2025

APPLICANT/AGENT: Tyler Stiller c/o Kevin Vanderveen

SUBJECT LANDS: 106 Front Street W, Strathroy

Purpose and Effect

An application for Zoning By-law Amendment has been submitted by the owner of the property. The application proposes to rezone from Low Density Residential (R1) zone to Medium Density Residential (R2-#) zone to permit a new multiple unit building with a total of 6 dwellings on a private driveway and parking area with a single vehicle access on Calendar Lane. The owner has indicated that this will not be subject to a future condominium or severance of the individual dwellings. The development has frontage on Front Street W and Calendar Lane. The proposal includes a severance application, and this was refused at the Committee of Adjustment meeting in August 2025 to separate the existing dwelling from the proposed multiple dwelling townhouse.

The site-specific zoning will permit the proposed lot area and frontage as well as a reduced side yard setback.
