

# FAIR GROUNDS AQUATIC PARK

## ADMISSION REQUIREMENTS

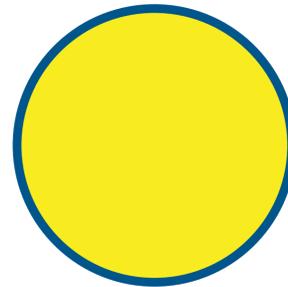

Your safety is our number one priority. We reserve the right to swim test any person at any time. For the safety of swimmers, Aquatic Park staff use a three-coloured wristband system to aid in applying our admission requirements:

### 6 Years & Under

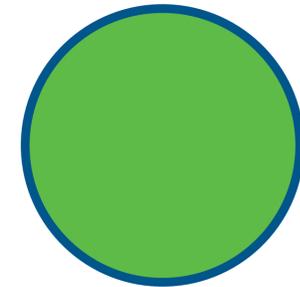

A red-banded child requires a guardian in order to be admitted to the pool

### 7-10 Years

A yellow-banded child needs to be swim-tested ASAP

### 11 Years & Older

A green-banded child may enter without a guardian

If the child cannot complete the swim test, they receive a red band

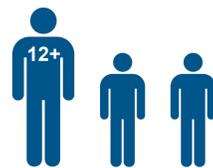

If the child successfully completes the swim test, they receive a green band

**Guardian:** Someone 12 years or older responsible for the direct supervision of a child.  
**Direct Supervision:** Means being within arms reach of the child they are with.

## SUPERVISION RATIOS

### For Children 6 Years & Under:

No Life jackets  
1 Guardian: 2 children

With Life jackets  
1 Guardian: 4 children

### For Children 7-10 Years:

Without Life jackets  
1 Guardian: 4 children

With Life jackets  
1 Guardian: 8 children

Please note that the coloured wristbands are to reflect whether a child needs to be SUPERVISED ONLY; a green wristband does not mean you may swim in the deep-end. You must take the swim test to be allowed in the deep-end. We reserve the right to administer deep-end tests to whom we see fit. **Children under 12 must be accompanied by a guardian. If a child is not a competent swimmer, a guardian must be prepared to enter the water with the child to ensure their safety.**
