

# MUNICIPALITY OF STRATHROY-CARADOC

## Notice of Public Information Centre #1

### Municipal Class Environmental Assessment for Mount Brydges Wastewater Servicing

The Municipality of Strathroy-Caradoc is undertaking a Municipal Class Environmental Assessment (Class EA) that will address the anticipated need for growth in the Mount Brydges settlement and surrounding area through to 2046 as well as servicing requirements from the future connection of existing residents on private septic systems to municipal sewers. The project will identify the best approach for future wastewater servicing investments, considering options that may include expansion of the existing Mount Brydges Wastewater Treatment Facility, construction of a new facility, or pumping of wastewater to other nearby treatment plants. The project is being carried out as a **Schedule 'C'** project in accordance with the Class EA process (Municipal Engineers Association, March 2023, as amended February 2024) approved under the Ontario Environmental Assessment Act.

Consultation is an important part of this Class EA and the Municipality would like to invite your input at the first of four (4) planned Public Information Centres. Public Information Centre #1 will be held in person and will include information on the study background, scope and purpose, planned schedule and next steps.

#### Public Information Centre #1

**Date:** Wednesday January 21, 2026

**Time:** 7 – 9 PM

**Location:** Caradoc Community Centre (565 Lions Park Dr, Mount Brydges)

There will be opportunities to ask questions to the project team members or submit comments. Materials will also available on the project website at [growingtogethersc.ca/mount-brydges-ea](http://growingtogethersc.ca/mount-brydges-ea) starting January 22,
