

Notice of Public Information Session #1

Water, Wastewater and Stormwater Master Plan and Pollution Prevention Control Plan

The Municipality of Strathroy-Caradoc is preparing a **Master Plan** for its **water, wastewater, and stormwater infrastructure** as part of ongoing efforts to improve the performance of the Municipality's infrastructure. Additionally, the Municipality is undertaking a **Pollution Prevention Control Plan (PPCP)** to provide a road map for implementation of infrastructure and operational improvements that will mitigate the impacts of wet weather sewer system overflows on the environment. The Master Plan and PPCP will provide the Municipality with guidance for capital planning and project implementation for water, wastewater, and stormwater services to accommodate growth for the next 20 years and beyond in a cost effective and environmentally sustainable manner.

The study is being undertaken in accordance with the Municipal Class Environmental Assessment (MCEA) 2023 process for Master Plans.

How do I participate?

When: Wednesday, January 10, 2024, from 6:00 – 8:00 p.m.

Where: Caradoc Community Centre. 565 Lions Park Drive, Mount Brydges, ON

How: In-person

The presentation boards from the meeting along with a summary of Question and Answers will be posted on the project webpage following the meeting: www.strathroy-caradoc.ca/en/city-hall/water-wastewater-and-stormwater-master-plan-and-pollution-prevention-control-plan.aspx.
