## *Beech Street Reconstruction*

B.M. Ross and Associates Limited is undertaking the engineering design on behalf of the Municipality of Strathroy-Caradoc for the **Beech Street Reconstruction Project**, from McKellar Street to Adelaide Street.

**Key Plan**

The project consists of complete road reconstruction including, sidewalk, curb, gutter, road widening, storm sewer system and the replacement of watermain and sanitary sewer completed with services up to property line. This project is planned to be part of the Municipality's 2026 construction season.

The Public Information Centre is a drop-in style meeting for residents to review the details of the proposed road reconstruction design drawings and impacts to the Municipal property in front of their home.

**Date:** Wednesday February 25, 2026

**Time:** 5:00 p.m. – 6:45 p.m.

**Location:** 2<sup>nd</sup> Floor Boardroom - West Middlesex Memorial Centre, 334 Metcalfe Street, Strathroy, ON

Design drawings will be on display, and members of the project team will be available to answer questions from interested persons. If you would like further information or are unable to attend and wish to have a question answered, please contact Alex Morfin, P. Eng., Project Manager at [amorfin@bmross.net](mailto:amorfin@bmross.net) or by phone at 519-908-9564.
