MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The accompanying consolidated financial statements of The Corporation of the Municipality of Strathroy-Caradoc (the "Municipality") are the responsibility of the Municipality's management and have been prepared in compliance with legislation, and in accordance with generally accepted accounting principles for local governments established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. A summary of the significant accounting policies are described in the notes to the consolidated financial statements. The preparation of financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current period cannot be finalized with certainty until future periods.

The Municipality's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the financial statements. These systems are monitored and evaluated by management.

Council meets with management and the external auditors to review the financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

The consolidated financial statements have been audited by BDO Canada LLP, independent external auditors appointed by the Municipality. The accompanying Independent Auditor's Report outlines their responsibilities, the scope of their examination and their opinion of the Municipality's consolidated financial statements.

Chief Administrative Officer
Trisha McKibbin

Director of Finance & IT/Treasurer
Bill Dakin

Independent Auditor's Report

To the Members of Council, Inhabitants and Ratepayers of The Corporation of the Municipality of Strathroy-Caradoc

We have audited the accompanying consolidated financial statements of The Corporation of the Municipality of Strathroy-Caradoc, which comprise the consolidated statement of financial position as at December 31, 2023, and the consolidated statement of operations, consolidated statement of change in net financial assets and consolidated statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of The Corporation of the Municipality of Strathroy-Caradoc as at December 31, 2023 and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

The Corporation of the Municipality of Strathroy-Caradoc

Summary of Significant Accounting Policies

December 31, 2023

Basis of Consolidation The consolidated financial statements reflect the assets, liabilities, revenue and expenses of the Municipality of Strathroy-Caradoc and all committees of Council, including the Strathroy Business Improvement Area, Caradoc Housing Corporation, and the Municipality's proportionate share (85%) of the Tri-Township Arena Board.

Joint Local Board

The Lake Huron Area Primary Water Supply system has been consolidated on a proportionate basis based upon the water flow of the municipality in proportion to the entire flows provided by the joint board. Under the proportionate basis, the municipality's pro rata share of each of the assets, liabilities, revenues and expenditures of the board are consolidated with similar items in the municipality's financial statements. For 2023, the municipality's share of the System was 4.35% (2022 - 4.61%).

Basis of Accounting The consolidated financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenue as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon receipt of goods or services and/or the creation of a legal obligation to pay.

Portfolio Investments Portfolio investments are recorded at cost. Portfolio investments are written down when there has been a loss in value that is other than a temporary decline.

Tangible Capital Assets

Tangible capital assets are recorded at cost less accumulated amortization. Cost includes all costs directly attributable to acquisition or construction of the tangible capital asset including transportation costs, interest paid during the construction period, installation costs, design and engineering fees, legal fees and site preparation costs. Contributed tangible capital assets are recorded at fair value at the time of the donation, with a corresponding amount recorded as revenue. Amortization is recorded on a straight-line basis over the estimated life of the tangible capital asset as follows:

Land improvements	10 to 50 years
Buildings	50 to 60 years
Fleet	8 to 30 years
Equipment	5 to 30 years
Infrastructure - environmental	50 to 80 years
Infrastructure - roads	50 to 100 years

Work in progress is not amortized until the asset is available for productive use, at which time it is amortized.

The Corporation of the Municipality of Strathroy-Caradoc

Summary of Significant Accounting Policies

December 31, 2023

**Collection of Taxes on
Behalf of Other Taxation
Authorities**

The Municipality collects taxation revenue on behalf of other entities. Such levies, other revenues, expenses, assets and liabilities with respect to the operations of entities are not reflected in these financial statements.

The entities which the Municipality collects taxation revenue on behalf of are as follows:

The Corporation of the County of Middlesex
London District Catholic School Board
Thames Valley District School Board
Conseil Scolaire Viamonde
Le Conseil Des Ecoles Catholiques

Trust Funds

Trust funds held in trust by the Municipality, and their related operations, are not included in these financial statements. The financial activity and position of the trust funds are reported separately.

**Retirement Benefits and
Other Employee
Benefit Plans**

The Municipality provides certain benefits which will require funding in future periods. These benefits include life insurance, and extended health and dental benefits for early retirees.

The costs of life insurance, and extended health and dental benefits are actuarially determined using management's best estimate of salary escalation, accumulated sick days at retirement, insurance and health care cost trends, long-term inflation rates and discount rates.

The costs of post-employment future benefits are actuarially determined using management's best estimate of health care costs, disability recovery rates and discount rates. Actuarial gains and losses are amortized on a straight-line basis over the expected average remaining service life of the employee groups.

The cost of multi-employer defined contribution pension plan benefits, such as the Ontario Municipal Employees Retirement System ("OMERS") pension, are the employer's contributions due to the plan in the period.

Deferred Revenue

Funds received for specific purposes which are externally restricted by legislation, regulation or agreement and are not available for general municipal purposes are accounted for as deferred revenue on the consolidated statement of financial position. The revenue is recognized in the consolidated statement of operations in the year in which it is used for the specified purpose.

The Corporation of the Municipality of Strathroy-Caradoc

Summary of Significant Accounting Policies

December 31, 2023

Revenue Recognition Property tax billings are prepared by the Municipality based on assessment rolls issued by the Municipal Property Assessment Corporation ("MPAC"). Tax rates are established annually by Council, incorporating amounts to be raised for local services, the requisition made by the County of Middlesex in respect of County services and amounts the Municipality is required to collect on behalf of the Province of Ontario in respect of education taxes. Part of the assessment process are supplementary assessment rolls, which provide updated information with respect to changes in property assessment. Once a supplementary assessment roll is received, the municipality determines the taxes applicable and renders supplementary billings. Assessments and related property taxes are subject to appeal. Each year, management provides a best estimate of the effect of supplementary assessments and tax appeals on taxation revenue.

Taxes are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. For property taxes, the taxable event is the period for which the tax is levied. As taxes recorded are initially based on management's best estimate of the taxes that will be received, it is possible that changes in future conditions, such as reassessments due to audits, appeals and court decisions, could result in a change in the amount of tax revenue recognized. Taxes receivable are recognized net of an allowance for anticipated uncollectable amounts.

The Municipality is entitled to collect interest and penalties on overdue taxes. This revenue is recorded in the period the interest and penalties are levied.

Charges for sewer and water usage are recorded as user fees. User fees are recorded when the amount is determinable, collectibility is assured, and the services are provided. Connection fee revenues are recognized when the connection has been established.

Sales of service and other revenue is recognized when the amount is determinable, collectibility is assured and the service is provided.

Government Transfers Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

The Corporation of the Municipality of Strathroy-Caradoc

Summary of Significant Accounting Policies

December 31, 2023

Use of Estimates	The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future.
Land Held for Resale	Land held for resale is recorded at the lower of cost and net realizable value. Cost includes amounts for land acquisition and improvements to prepare the land for sale or servicing.
Asset Retirement Obligation	A liability for an asset retirement obligation is recognized when there is a legal obligation to incur retirement costs in relation to a tangible capital asset; the past transaction or event giving rise to the liability has occurred; it is expected that future economic benefits will be given up; and a reasonable estimate of the amount can be made. The liability is recorded at an amount that is the best estimate of the expenditure required to retire a tangible capital asset at the financial statement date. This liability is subsequently reviewed at each financial reporting date and adjusted for the passage of time and for any revisions to the timing, amount required to settle the obligation or the discount rate. Upon the initial measurement of an asset retirement obligation, a corresponding asset retirement cost is added to the carrying value of the related tangible capital asset if it is still in productive use. This cost is amortized over the useful life of the tangible capital asset. If the related tangible capital asset is unrecognized or no longer in productive use, the asset retirement costs are expensed.

The Corporation of the Municipality of Strathroy-Caradoc

Summary of Significant Accounting Policies

December 31, 2023

Financial Instruments The Municipality classifies its' financial instruments as either fair value or amortized cost. The Municipality's accounting policy for each category is as follows:

Fair Value

The fair value instruments that are measured subsequent to initial recognition at fair value are grouped into Level 1 to 3 based on the degree to which the fair value is observable:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices)

Level 3 - Inputs for the asset or liability that are not based on observable market data (unobservable inputs)

This category includes cash, which is initially recognized at cost and subsequently carried at fair value. Changes in fair value are recognized in the statement of operations.

Transaction costs related to financial instruments in the fair value category are expensed as incurred.

Amortized Cost

This category includes portfolio investments, accounts receivable, long-term receivables, accounts payable and accrued liabilities, and long-term debt. They are initially recorded at cost and subsequently carried at amortized cost using the effective interest rate method, less any impairment losses on financial assets.

Transaction costs related to financial instruments in the amortized cost category are added to the carrying value of the instrument.

Writedowns on financial assets in the amortized cost category are recognized when the amount of the loss is known with sufficient precision and there is no realistic prospect of recovery. Financial assets are then written down to net recoverable value with the writedown being recognized in the statement of operations.

The Corporation of the Municipality of Strathroy-Caradoc

Notes to Consolidated Financial Statements

December 31, 2023

1. Change in Accounting Policy

PS 1201 - Financial Statement Presentation

PS 1201 - Financial Statement Presentation replaces PS 1200 - Financial Statement Presentation. This standard establishes general reporting principles and standards for the disclosure of information in government financial statements. The standard introduces the Statement of Remeasurement Gains and Losses separate from the Statement of Operations. Requirements in PS 2601 - Foreign Currency Translation, PS 3450 - Financial Instruments, and PS 3401 - Portfolio Investments, which are required to be adopted at the same time, can give rise to the presentation of gains and losses as remeasurement gains and losses.

PS 3401 - Portfolio Investments

PS 3401 - Portfolio Investments replaces PS 3400 - Portfolio Investments. The standard provides guidance on accounting for, and presentation and disclosure of, portfolio investments to conform with PS 3450 - Financial Instruments. The distinction between temporary and portfolio investments has been removed in the new standard, and upon adoption, PS 3030 - Temporary Investments, no longer applies.

PS 3450 - Financial Instruments and PS 2601 - Foreign Currency Translation

The Municipality adopted PS 3450 - Financial Instruments and PS 2601 - Foreign Currency Translation standards prospectively from the date of adoption. The new standards provide comprehensive requirements for the recognition, measurement, presentation and disclosure of financial instruments and foreign currency transactions.

Under PS 3450, all financial instruments, including derivatives, are included on the statement of financial position and are measured at either fair value or amortized cost, based on characteristics of the instrument and the Municipality's accounting policy choices. Unrealized gains and losses arising from changes in fair value are presented in the Statement of Remeasurement Gains and Losses.

These above standards were all adopted prospectively. There was no impact to the Municipality as a result of the adoption of the above standards.

The Corporation of the Municipality of Strathroy-Caradoc

Notes to Consolidated Financial Statements

December 31, 2023

1. Change in Accounting Policy (continued)

PS 3280 - Asset Retirement Obligations

Effective January 1, 2023 the Municipality adopted new Public Sector Accounting Handbook Standard, 3280 - Asset Retirement Obligations. As a result of the adoption, the presentation of the financial statements changed from the prior year. The standard requires a liability to be recognized as there is a legal obligation to incur retirement costs. This change in accounting policy has been applied using the modified retroactive approach with restatement of prior periods. See Note 9 for further details.

The impact of adoption of this standard was as follows:

	As previously reported	Adjustment	Restated Balance
Statement of Financial Position			
Tangible capital assets	\$ 302,539,755	\$ 117,754	\$ 302,657,509

Statement of Changes in Net Financial Assets			
Annual surplus	\$ 10,226,273	\$ (12,083)	\$ 10,214,190
Amortization of tangible capital assets	5,443,695	2,072	5,445,767
Net financial assets, beginning of year	41,857,200	(376,660)	41,480,540
Net financial assets, end of year	45,258,760	(386,671)	44,872,089

2. Cash and Cash Equivalents

The Municipality's bank accounts are maintained at a chartered bank and earn interest at the bank's prime rate less 1.75%. The Municipality has established a bank operating line of credit of up to \$5,500,000 bearing interest at the bank's prime rate. At December 31, 2023, the Municipality had a balance owing of \$nil (2022 - \$nil).

The Corporation of the Municipality of Strathroy-Caradoc

Notes to Consolidated Financial Statements

December 31, 2023

3. Portfolio Investments

The Municipality's portfolio investments include guaranteed investment certificates and cash with a carrying value and market value of \$23,454,644 (2022 - \$3,340,776) and mutual funds with a carrying value of \$842,984 (2022 - \$872,725) and market value of \$784,023 (2022 - \$811,278). These investments are recorded at amortized cost. Interest rates on the guaranteed investment certificates range from 1.33% to 5.57%. Maturity dates of the guaranteed investment certificates range from February 2024 to June 2027. The income from these investments for the year was \$84,127 (2022 - \$145,030).

4. Financial Instruments Classification

The following table provides cost and fair value information of financial instruments by category. The maximum exposure to credit risk would be the carrying value as shown below.

	Fair Value	Amortized Cost	Total
December 31, 2023			
Cash	\$44,352,984	\$ -	\$44,352,984
Accounts receivable	-	11,702,457	11,702,457
Portfolio investments	-	24,297,628	24,297,628
Long-term receivables	-	231,290	231,290
Accounts payable and accrued liabilities	-	10,220,352	10,220,352
Long-term debt	-	6,955,763	6,955,763

	Fair Value	Amortized Cost	Total
December 31, 2022			
Cash	\$ 65,132,316	\$ -	\$ 65,132,316
Accounts receivable	-	11,211,517	11,211,517
Portfolio investments	-	4,213,501	4,213,501
Long-term receivables	-	241,265	241,265
Accounts payable and accrued liabilities	-	6,993,276	6,993,276
Long-term debt	-	2,774,184	2,774,184

Cash is a Level 1 fair value measurement which are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities using the last bid price.

There were no transfers between Level 1 and Level 2 for the year ended December 31, 2023. There were also no transfers in or out of Level 3.

The Corporation of the Municipality of Strathroy-Caradoc

Notes to Consolidated Financial Statements

December 31, 2023

5. Financial Instruments Risk Management

Credit Risk

Credit risk is the risk of financial loss to the Municipality if a debtor fails to make payments of interest and principle when due. The Municipality is exposed to this risk relating to its cash, debt holdings in its investment portfolio, accounts receivable and long-term receivables. The Municipality holds its cash accounts with a federally regulated chartered bank.

The Municipality's investment policy operates within the constraints of the investment provision within the Municipal Act.

Accounts receivable are primarily due from Canada Revenue Agency, federal government grants, provincial grants, other municipal governments and residents of Strathroy-Caradoc. Credit risk is mitigated by the financial solvency of the provincial and upper tier governments and the highly diversified nature of the resident population.

The Municipality measures its exposure to credit risk based on how long the amounts have been outstanding. The amounts outstanding at year end were as follows:

	Total	Current	31-60 Days	31-90 Days	> 90 Days
Federal	\$ 1,154,155	\$ 968,638	\$ -	\$ -	\$ 185,517
Provincial	1,528,473	1,305,862	7,921	48,539	166,151
County	160,504	60,879	17,750	-	81,875
Other Municipal	2,421,956	2,406,837	1,867	-	13,252
Accrued investment income	710,681	710,681	-	-	-
Other	5,726,688	5,193,336	76,866	50,920	405,566
	\$ 11,702,457	\$ 10,646,233	\$ 104,404	\$ 99,459	\$ 852,361

There have been no significant changes from the previous year in the exposure to risk or policies, procedures and methods used to measure the risk.

The Corporation of the Municipality of Strathroy-Caradoc

Notes to Consolidated Financial Statements

December 31, 2023

5. Financial Instruments Risk Management (continued)

Liquidity Risk

Liquidity risk is the risk that the Municipality will not be able to meet all cash outflow obligations as they come due. The Municipality mitigates this risk by monitoring cash activities and expected outflows through extensive budgeting. The following table sets out the contractual maturities as of December 31, 2023 (representing undiscounted contractual cash-flow of financial liabilities):

	Total	Within 1 Year	1-5 Years	> 5 Years
Accounts payable and accrued liabilities	\$ 10,220,352	\$ 10,220,352	\$ -	\$ -
Long-term debt	6,955,763	829,991	2,823,531	3,302,241
	<u>\$ 17,176,115</u>	<u>\$ 11,050,343</u>	<u>\$ 2,823,531</u>	<u>\$ 3,302,241</u>

There have been no significant changes from the previous year in the exposure to risk or policies, procedures and methods used to measure the risk.

6. Operations of School Boards and the County of Middlesex

The Municipality is required to bill, collect and remit taxation revenues on behalf of the School Boards and County of Middlesex pursuant to provincial legislation. The Municipality has no jurisdiction or control over the operations of these entities or the setting of their tax rates. Therefore, the taxation, other revenues, expenses, assets and liabilities with respect to the operations of the School Boards and the County are not reflected in these consolidated financial statements. Taxation revenues billed and requisitions paid on behalf of the School Boards and County of Middlesex are not reflected in the Statement of Operations and are comprised of the following:

	<u>School Boards</u>	<u>County</u>
Taxation	\$ 7,103,670	\$ 13,010,738
Share of payments in lieu	1,368	49,044
	<u>\$ 7,105,038</u>	<u>\$ 13,059,782</u>

The Corporation of the Municipality of Strathroy-Caradoc

Notes to Consolidated Financial Statements

December 31, 2023

7. Deferred Revenue

	Opening balance	Contributions received	Externally restricted investment income	Revenue recognized	Ending balance
Canada Community Building Fund	\$ 1,895,273	\$ 690,574	\$ 22,634	\$ (1,352,047)	\$ 1,256,434
Development charges	18,120,183	3,204,195	1,028,863	(3,088,313)	19,264,928
Parkland dedication	429,408	-	22,114	-	451,522
Other	4,311,455	2,239,880	134,354	(4,701,529)	1,984,160
	<u>\$ 24,756,319</u>	<u>\$ 6,134,649</u>	<u>\$ 1,207,965</u>	<u>\$ (9,141,889)</u>	<u>\$ 22,957,044</u>

Canada Community Building Fund (formerly - Federal gas tax)

Canada Community Building Fund (CCBF) - formerly federal gas tax, revenue is provided by the Government of Canada. The use of the funding is established by a funding agreement between the Municipality and the Association of Municipalities of Ontario. CCBF funding may be used towards public transit, wastewater infrastructure, drinking water, solid waste management, community energy systems, local roads and bridges, capacity building, highways, local and regional airports, short-line rail, short-sea shipping, disaster mitigation, broadband and connectivity, brownfield redevelopment, culture, tourism, sport, recreation and fire halls, as specified in the funding agreements.

Development charges

Development charges are collected as per municipal by-law and background study and are allocated to the designated projects therein.

Parkland dedication

Funds are collected from developers for the purchase and upgrade of parkland and are allocated to expenses or capital assets as incurred.

Other

Funds include \$79,283 MTO Cycling grant, \$1,207,598 CFDC grant for Skills Development, and \$469,271 Police NG911 grant, which will be allocated to revenue as funds are spent on specified purposes (2022 - \$75,400 MTO Cycling grant, \$2,837,751 CFDC grant for Skills Development, and \$1,135,609 in deferred OCIF formula funding).

The Corporation of the Municipality of Strathroy-Caradoc

Notes to Consolidated Financial Statements

December 31, 2023

8. Net Long-term Debt

Net long-term debt reported on the consolidated statement of financial position is comprised of the following:

	<u>2023</u>	<u>2022</u>
Total long-term liabilities incurred by the Municipality and outstanding at the end of the year amount to:	\$ 6,955,763	\$ 2,774,184

Principal repayments relating to net long-term debt outstanding are due as follows:

	<u>Principal Repayments</u>
2024	\$ 829,991
2025	1,048,941
2026	890,747
2027	442,101
2028	441,742
Thereafter	<u>3,302,241</u>
	<u>\$ 6,955,763</u>

The gross interest paid relating to the Municipality's long-term debt was \$85,761 (2022 - \$109,355). Interest rates on the debt range from 1.38% to 4.38%. All net long-term debt is payable in Canadian dollars, and matures from March 2026 to December 2030.

The annual principal and interest payments required to service the net long-term liabilities of the municipality are within the annual debt repayment limit prescribed by the Ministry of Municipal Affairs and Housing.

9. Asset Retirement Obligation

The Municipality's financial statements include an asset retirement obligation for the asbestos that had been used in construction of certain Municipal buildings and facilities throughout its course of operations, and landfill post closure costs. The related asset retirement costs are being amortized on a straight-line basis. The liability has been estimated using a net present value technique with a discount rate of 3.0% (2022 - 3.0%). The estimated total undiscounted future expenditures are \$419,920 (2022 - \$413,350), which are to be incurred over the remaining useful life of the buildings and facilities. The liability is expected to be settled as the buildings and facilities are renovated and the asbestos remediated.

The Corporation of the Municipality of Strathroy-Caradoc

Notes to Consolidated Financial Statements

December 31, 2023

9. Asset Retirement Obligation (continued)

The carrying amount of the liability is as follows:

	<u>2023</u>	<u>2022</u>
Asset retirement obligation, beginning of year	\$ 413,350	\$ 403,340
Increase due to accretion expense	10,321	10,010
Change in estimate	2,070	-
Settlement of liability	(3,400)	-
Adjustment due to Lake Huron Area Primary Water Supply System - rate change	<u>(2,421)</u>	<u>-</u>
Asset retirement obligation, end of year	<u>\$ 419,920</u>	<u>\$ 413,350</u>

This change in accounting policy has been accounted for using the modified retrospective approach, which requires a full restatement using assumptions and discount rates that are current as of January 1, 2022 to calculate the adjustments. The comparative statements for the prior period have been restated (see Note 1).

Significant estimates and assumptions are made in determining the asset retirement costs as there are numerous factors that will affect the amount ultimately payable. Those uncertainties may result in future actual expenditures that are different than the amounts currently recorded. At each reporting date, as more information and experience is obtained as it relates to these asset retirement obligations, the estimates of the timing, the undiscounted cash flows and the discount rates may change. Adjustments to these factors are accounted for as an adjustment to the asset retirement obligation and the related tangible capital asset in the current period on a prospective basis.

The Corporation of the Municipality of Strathroy-Caradoc

11. Accumulated Surplus

The Municipality segregates its accumulated surplus into the following categories:

	2023	2022 Restated
Accumulated surplus from operations	\$ 5,635,535	\$ 9,403,401
Investment in tangible capital assets	184,129,892	168,589,891
Investment in capital work in progress	27,131,210	11,491,754
Reserves		
Future needs reserve	2,396,628	3,496,628
Equipment replacement	1,852,528	962,868
Insurance	20,096	20,096
General government	1,362,791	657,263
Information technology	335,960	197,256
Building department	1,150,022	1,298,884
Protection services	1,545,203	1,466,247
Street lighting	166,937	91,937
Wastewater system	12,307,462	11,602,334
Waterworks system	20,476,743	18,447,015
Health services	204,068	218,659
Recreational facilities	1,780,942	1,191,739
Libraries and Museum	686,337	556,512
Planning	(384,168)	117,389
Economic and Community Development	1,245,490	1,216,403
Transportation	(2,297,104)	(1,545,027)
Reserve Funds		
Insurance	516,007	490,735
Wastewater system	45,688	43,450
Asset management	1,707,959	1,796,367
Waste management	143,897	273,878
Green energy	378,043	289,528
Recreation	25,221	23,985
Modernization	390,558	371,430
Unfunded Liabilities	(9,515,963)	(5,288,884)
	\$ 253,437,982	\$ 227,481,738

The investment in tangible capital assets represents amounts already spent and invested in infrastructure and other non-financial assets.

Reserve funds represent funds set aside by by-law or Council resolution for specific purposes.

The Corporation of the Municipality of Strathroy-Caradoc

Notes to Consolidated Financial Statements

December 31, 2023

12. Employee Future Benefits

The municipality provides certain employee benefits, which will require funding in future periods. These benefits include life insurance, and extended health and dental benefits for early retirees. An estimate of the future liabilities for these benefits has been actuarially determined and forms the basis for the estimated liability reported in these financial statements.

An actuarial valuation for accounting purposes is performed every three years using the projected benefit method prorated on services. The most recent actuarial valuation was performed at December 31, 2021. There is a net unamortized loss to be amortized on a straight-line basis over the expected average remaining service life of the related employee group (17 years for post-retirement and 21 years for post-employment benefits).

	<u>2023</u>	<u>2022</u>
Post-retirement benefits	\$ 2,349,100	\$ 2,303,400
Post-employment benefits	<u>211,100</u>	<u>211,300</u>
Total	<u>\$ 2,560,200</u>	<u>\$ 2,514,700</u>

(a) Post-Retirement Benefits

The Municipality provides certain health and dental benefits on behalf of eligible retired employees up to the age of 65.

	<u>2023</u>	<u>2022</u>
Accrued benefit liability as at January 1	\$ 2,303,400	\$ 2,257,800
Current service cost	113,700	111,000
Interest cost	46,200	44,900
Estimated benefits paid	<u>(114,200)</u>	<u>(110,300)</u>
Total	<u>\$ 2,349,100</u>	<u>\$ 2,303,400</u>

(b) Post-Employment Benefits

The Municipality provides certain health and dental benefits on behalf of eligible members receiving long term disability benefits up to age 65.

	<u>2023</u>	<u>2022</u>
Accrued benefit liability as at January 1	\$ 211,300	\$ 210,700
Interest cost	14,900	15,000
Estimated benefits paid	<u>(15,100)</u>	<u>(14,400)</u>
Total	<u>\$ 211,100</u>	<u>\$ 211,300</u>

The actuarial estimate of the future liability of post-retirement and post-employment benefits assumes a discount rate of 2.45% (2022 - 2.45%) and inflation rates for benefit premiums of 2.0% (2022 - 2.0%). Dental cost increases are assumed at 4.0% per annum (2022 - 4.0%). In addition, extended healthcare premiums are assumed to increase by 6.0% in 2023, 5.5% in 2024 and 5.0% per annum thereafter.

The Corporation of the Municipality of Strathroy-Caradoc

Notes to Consolidated Financial Statements

December 31, 2023

13. Contingent Liabilities

The Municipality is a co-defendant in various legal actions. The ultimate outcomes are indeterminable at December 31, 2023 as litigation is still in progress. The Municipality's management is of the opinion that the Municipality has adequate insurance coverage to offset the amount of any claims and related costs, if any. Consequently, no provision for potential loss, if any, is reflected in these financial statements.

14. Pension Agreements

The Municipality makes contributions to the Ontario Municipal Employees' Retirement System ("OMERS"), which is a multi-employer plan, on behalf of certain employees of the Municipality. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on their length of service and rates of pay. The OMERS Administration Corporation Board of Directors, representing plan members and employers, is responsible for overseeing the management of the pension plan, including investment of the assets and administration of the benefits. OMERS provides pension services to more than 612,000 active and retired members and approximately 1,000 employers. Each year an independent actuary determines the funding status of OMERS Primary Pension Plan ("the Plan") by comparing the actuarial value of invested assets to the estimated present value of all pension benefits that members have earned to date. The most recent actuarial valuation of the Plan was conducted at December 31, 2023. The results of this valuation disclosed total actuarial liabilities of \$136,185 million (2022 - \$130,306 million) in respect of benefits accrued for service with actuarial assets at that date of \$131,983 million (2022 - \$123,628 million) indicating an actuarial deficit of \$4,202 million (2022 - \$6,678 million).

Because OMERS is a multi-employer pension plan, any pension plan surpluses or deficits are a joint responsibility of the Ontario municipal organizations and their employees. As a result, the Municipality does not recognize any share of the OMERS pension surplus or deficit. The amount contributed for 2023 was \$1,146,223 (2022 - \$1,061,249) for current service. The OMERS Board rate was 9.0% to 15.8% depending on income level (2022 - 9.0% to 15.8% depending on income level).

21. Segmented Information

The Municipality of Strathroy-Caradoc has adopted a business approach to the various responsibilities carried out by the municipality and has separated the financial transactions to better reflect the true cost of each segment. The following provides a brief description of the individual segments used.

General Government

General Government is comprised of various departments including the Clerk's, Finance and Taxation, Legal, Human Resources and Information Technology departments. These departments support and provide a variety of services to other departments within the municipality and the public.

Protection Services

Protection Services is comprised of the Police Services, Fire Services, animal control, crossing guards, building construction and by-law enforcement departments. The Police Services mandate is to ensure public safety within the municipality. Through patrols, detective, education, and other efforts the police department works to deter and prevent crime. The Strathroy Caradoc Fire Rescue Service serves the residents of the Municipality of Strathroy-Caradoc by providing fire prevention, public education and fire suppression services. It operates out of 3 stations covering an area of 274.12 square kilometres and over 19,500 residents. The services provided range from fire suppression and prevention, land-based water rescue, high-angle, confined space, specialized vehicle extrication and industrial firefighting.

Transportation Services

Transportation Services consists of road maintenance and construction as well as winter control, parking, and street lighting. Road maintenance and construction maintains approximately 225 kilometres of road and takes care of pothole maintenance, hot mix patching, paving, street cleaning, signage, and winter control.

Environmental Services

Environmental Services consists of sanitary sewer, storm sewer maintenance, waterworks system construction and maintenance, waste collection, waste disposal, and recycling. The sewage division constructs and maintains the municipalities storm and sanitary sewers as well as 10 sewage pumping stations.

Health Services

Health Services consists of the operations of the municipality's cemeteries.

Social Housing

Social Housing consists of non-profit housing accommodation using rent geared to income guidelines. The housing accommodations are managed by the Caradoc Housing Corporation.

Recreation and Cultural Services

Recreation and Cultural Services provide for all the Municipality's parks, trees, floral displays, sports and recreation facilities, pool, arenas, special events and more. Numerous recreations programs are offered throughout the year for the enjoyment of the general public.

Planning and Development

Planning and Development's function is to assist Council, the development community and the public in matters relating to land use planning and economic development.
